

FOXHILLS FEDERATION BOARD OF GOVERNORS

Appointment of Parent Governors

10th November 2024

Dear Parents,

I am writing to advise you that five parents responded to our October letter seeking for volunteers to become parent governors. Of these, three submitted applications.

The Board has appointed Chris Boalch and Michael Paye as parent governors, and Richard Boyes, whose application was the last to arrive, has filled the vacancy for a co-opted governor. The Federation now has a complete Board of Governors, which is very pleasing!

Chris Boalch has been a teacher in various schools in the area and is currently working in adult education. He has previous experience as a governor and has a child in the Infant School.

Michael Paye works in cybersecurity research and development and has experience in budget management and employment law. His son is enjoying being a Foxhills pupil, and he wishes to support the federation.

Richard Boyes has a son in Year R, and works in Social Care associated with children and young people. He has undertaken advanced safeguarding training associated with his responsibilities and is familiar with the Ofsted Inspection framework.

We welcome our new governors to the board, and hope they find the role of governor interesting and rewarding. They bring skills which are important to us, and we look forward to working with them.

With best wishes

A handwritten signature in black ink, appearing to read 'Ann Arscott', is written over a horizontal line.

Ann Arscott

Chair of Governors
