School Recorders

January 2025

Dear Parents,

Learning a musical instrument enhances a child’s development – not only does it build self-confidence, give a sense of achievement and help relieve stress and anxiety, but it can also improve memory and resilience. The Department of Education recommends that, as a minimum, schools should offer children whole-class instrumental teaching for a minimum of one term. For these reasons, all Junior School children will learn the recorder during their curriculum music lessons in the summer term.

For hygiene reasons, each child will require their own personal recorder, which should be in school each week on the day when music is taught (class teachers will advise further). Many of you will have recorders at home but if you don’t, we are offering you the chance to purchase one through us at the discounted price of £3.85.

Please complete the form below and return it to school, with payment, before 21st March, when an order will be placed. Children will receive their recorders after the Easter holidays.

Please do speak to us if you have difficulty in paying for a recorder – we can accept instalments.

Yours faithfully,
Mrs Normington
Federation Music Lead

Please return to the School Office.
