

Parent Information Portal - Health Visiting and School Nursing records all in one place

McIver, Charlotte
Public Health Practitioner

Dear colleagues, Please share the attached poster with families and display in your setting.

The Parent Information Portal gives parents and carers Health Visiting and School Nursing records all in one place.

Parents and Carers can:

- View and manage appointments with Health Visitors
- View their child's **vaccination history** and newborn blood screening results
- Search a wide range of **resources** about children's health
- View **growth charts and add measurements**
- The Ages and Stages questionnaires are available to complete electronically before a child's 1 year/2 year health reviews
- **National Childhood Measurement Programme** - receive results of a child's height and weight measurements (Year R and Year 6) - these results can only be seen if you sign up to the Portal before your child is measured.

Parents can sign up to the Parent Information Portal by sending an email to pip@southernhealth.nhs.uk.
