Design and Technology (DT) Projects

October 2025

Dear Parents/Carers,

As part of our upcoming Design and Technology (DT) projects, the children will be engaging in hands-on activities that require specific materials. To help cover the cost of these resources, we kindly ask for a small donation of **£1.50** per child. Payments can be made via SCOPAY or Cash.

Your contribution will enable us to provide a more enriching and creative experience for the pupils, allowing them to explore practical skills and bring their designs to life.

Thank you for your continued support.
