

Southampton FC – Foxhills Junior School After-School Clubs

Dear Parents and Guardians,

We are delighted to confirm that registrations are now open for the third and final term (Summer Term) of our Southampton FC After-School Clubs for the 2025–2026 season.

This year has already seen the launch of our brand-new Southampton FC themed curriculum, featuring a range of iconic club legends, and we're really looking forward to building on this throughout the Summer term.

For those yet to attend our sessions, all clubs are delivered by qualified Southampton FC coaches and are designed to be fun, engaging, and development-focused, giving pupils the opportunity to:

- Develop their football skills and match understanding
- Build confidence, teamwork, and communication
- Stay active in a safe, inclusive, and supportive environment
- Be inspired by stories and activities linked to legendary Southampton FC players

Our after-school clubs run from **3:15pm to 4:15pm**, with sessions taking place on the following days:

- **Monday** - Years 3-6

If your child would like to take part, please book using the link below, which contains all available clubs. Please note that Summer term availability will not be visible until Thursday the 19th of March at 7:30pm:

As always, spaces are limited and allocated on a first-come, first-served basis, so we encourage early booking to secure a place.

We look forward to welcoming both new and returning players to what promises to be an exciting Summer term, as we continue to share the spirit and legacy of Southampton FC with your children.

Kind regards,

Jacob Toms
