April 2024

Dear Parents,

Excitingly, Foxhills Federation is taking part in the [Light the South Art Trail](#), which this summer will take over Southampton and Cowes with unique and brilliant lighthouse sculptures, all with the aim of raising vital funds for Southampton Children's Hospital.

Children across the federation are creating one of the 40 "Little Lights" - mini-sculptures designed by local schools or youth organisations - that will join the work of professional artists as part of the Light the South Art Trail during the summer of 2024.

To raise funds for this fantastic local charity, Foxhills Federation will be taking part in a **Dress-Down Day on Friday 26th April**. In the spirit of the lighthouse theme, we invite children to dress in nautical-themed colours or outfits if they can!

Donations can be brought in to school on the day, or you can contribute via our dedicated Just Giving page: www.justgiving.com/page/foxhillslittlelights

Every penny donated will help improve children's experiences whilst in hospital.

We are delighted to be taking part in this wonderful project, and hope we can raise lots of money for this important local cause. We look forward to revealing our finished lighthouse soon!

Thank you for your continued support.

Miss Drage
Art & Design Leader

Your amazing efforts could fund

Storybooks to distract our patients

Arts and craft kits for children and families to use together

A theatre or theme park day trip for families to build precious memories with our long-term patients

A pull down bed to allow parents to stay beside their child overnight

Mobile sensory equipment for some of our sickest patients who are unable to visit our playrooms

Pioneering research into neuroblastoma cancer in children
