Bonjour,

I am delighted to announce that after 18 months of online teaching, from this September, lunchtime French Club will be resuming at Foxhills Junior School.

- ✧ I was born and raised in France so your child will get taught by a native speaker.
- ✧ I am very passionate about teaching languages and other cultures to children through storytelling, music, playing games and having fun.
- ✧ I use the reputable La Jolie Ronde programmes and resources.
- ✧ I keep my classes small.
- ✧ 6 surprising benefits of learning a language: -
 - ✧ It improves your memory
 - ✧ It makes you a better multitasker
 - ✧ It encourages cultural appreciation
 - ✧ It makes you a better communicator (in your native language too)
 - ✧ It encourages creativity
 - ✧ It makes your brain bigger! It improves your cognitive abilities.

Please enrol your child by registering at <https://www.clubenrolment.com/Bonjourlesenfants>

Spaces are limited, enter your location as Foxhills Junior School to access the sessions available in your school.

Please note that your child's space will only be secure once payment has been received. You can pay in monthly instalments by choosing the GoCardless option available to you, or you can pay in full by bank transfer. Please email me to let me know if you pay me direct.

The cost of a session is currently £6.50 but **will increase to £7.00 from 1st September 2021.**

The compulsory welcome pack is £25 and includes an activity book and downloadable audio that will last your child until the end of the school year.

The total cost of the Autumn term (10 sessions altogether including the pack) is £90 if enrolling before 1st September 2021 or £95 thereafter.

À bientôt!
